

KALPA POWER

**MAKING POWER MORE RELIABLE,
AFFORDABLE & ENVIRONMENT
FRIENDLY**

DHAMANGAON SOLAR PARK : 26.54 MWP

ABOUT US

Kalpa Power offers end-to-end solar power solutions, reducing energy costs and promoting sustainability.

INCEPTION- 2017

200+
Workforce

270+ MWP
Contracted capacity since inception

300+ YEARS
Team cumulative work experience

80+ MWP
Ongoing Projects

250+
Satisfied customers

300+ PROJECTS
Strong investor support

300+ MWP
Assets under maintenance

WHY CHOOSE KALPA?

- **Guaranteed Results**
- **Zero Investment Option**
- **Tech Expertise**
- **Turn-key Support**

AWARDS

EPC Company of the year in Industrial Category

EPC Company of the year in Open Access Category

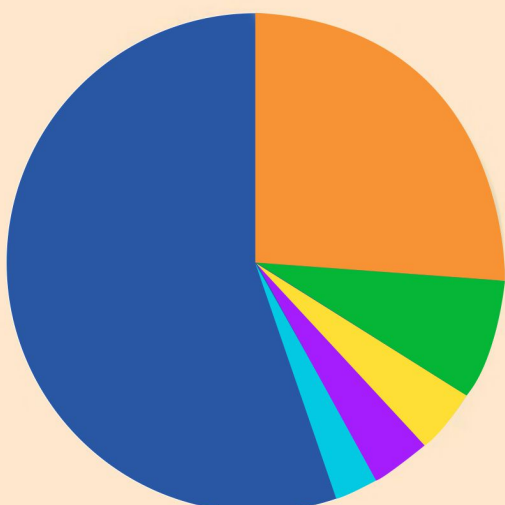

Project of the year in Open Access Captive Segment

Solar EPC Company of the Year - Open Access

We are amongst
The Top 5 Solar Installers in India!

- Tata Power Solar
- Roofsol Energy
- Havells India
- **Kalpa Power**
- Mahindra Solarize
